

Vale of Aylesbury Athletic Club

30th March 2011

Dear Members of VOAAC

As you will know your club membership expires on 31st March 2011.

The fees for the year 2011/2012 remain the same and are shown on the attached membership application form and it would be appreciated if you could renew your membership as soon as possible by printing , completing the form and returning it with the appropriate fee or BACS payment .

A separate form is needed for each member . This includes all family members whether they be social , competing ,volunteering etc.

All athletes must be registered with UK Athletics .

Please renew your membership in good time as the club has to register and pay for all members **age 11** upwards who take part in any UKA authorised event (track/field, cross country, road races etc).

The fee for each athlete is £5 . The committee has agreed to the Club paying this fee .

It is essential that a separate form is completed for everyone who requires membership and that all details necessary are entered.

Would you please complete your email address clearly as newsletters and other club information is sent by email.

To safeguard the club's coaches and officials, anyone who has not renewed their membership by the 1st April will need to complete a temporary membership form to be able to train at the track.

After 1st April 2011 no-one is allowed to represent the club in any UK Athletics authorised competition unless they are paid up members.

KESTRELS .

Please note that kestrels are now either Tuesday or Thursday and membership is on a first come first served basis . There is a maximum number of places on each evening. If membership has not been renewed by 15th April 2011 it will be presumed that you do not wish to rejoin and the place will be offered to another youngster.

If there are any problems with the payment of the membership fee, please get in touch with either the club chairman, Graham Gorman, or myself.

There are discounts available to club members on production of their membership cards which I will detail with your new card. If anyone would like to offer such incentives please let me know.

Thanks
Pat Card
