

ENGLISH CROSS COUNTRY ASSOCIATION

September 2020

ENGLISH CROSS COUNTRY CHAMPIONSHIPS 2020 – 2021

The ECCA is pleased to enclose the annual ECCA Handbook for your use during the forthcoming Cross Country season.

The Annual Championships were previously announced as being scheduled as:

The English National Cross Country Relay Championships	Saturday 31 st October at Berry Hill Park, Mansfield
The English 'National' Cross Country Championships	Saturday 6 th March 2021 at Parliament Hill, London

We are now able to advise that we are planning to hold the English National Cross Country Relays within the Covid 19 restrictions that currently apply. The probable format will be to host the event over two days – 31st October and 1st November – but entry will be invitation only. Invitations will be sent to the first 30 clubs ('A' teams only) in each race at the 2019 championships. Full details will be sent to those clubs in due course.

We cannot currently say with any certainty that it will be possible to promote the English 'National' Cross Country in their usual format, unless restrictions on gatherings are relaxed to an appropriate level.

We will provide further information on the ECCA Championships at <http://www.englishcrosscountry.co.uk/> as progress is determined.
